Application No.: 09/227,213

Art Unit: 1616

Applicant's information disclosure statement of July 1, 2000 was filed after the issue fee was paid. Information disclosure statements filed after payment of the issue fee will not be considered, but will be placed in the file. However, the application may be withdrawn from issue in order to file a continuing application under 37 CFR 1.53(b) or 1.53(d) upon the grant of a petition filed under the provisions of 37 CFR 1.313(b)(5). Alternatively, the other provisions of 37 CFR 1.313 may apply, e.g., a petition to withdraw the application from issue under the provisions of 37 CFR 1.313(b)(3) may be filed together with an unequivocal statement by the applicant that one or more claims are unpatentable over the information contained in the statement. The information disclosure statement would then be considered upon withdrawal of the application from issue under 37 CFR 1.313(b)(3).
